

MP 200 - StudioNails Pro Manicure/pedicure station 3-in-1

 german
 engineering

**3-in-1
functions**

3 functions in one device: Nail cutter,
UV/LED lamp and nail dust extractor.

Also suitable for the use of acrylic
and gel nails and UV varnishes.

**26.000
rpm speed**

Powerful motor: Runs
up
to 26.000 rpm

As the manicure/pedicure device is continuously adjustable,
the intensity can be flexibly changed to provide tailored nail care.

The clockwise/anti-clockwise rotation enables versatile use and is suitable
for both right-handed and left-handed users.

Powerful unit with up to 26,000 rpm for efficient, fast nail care.

Extra-slim shape for precise manicures/pedicures and precise filing and
shaping of nails.

Thanks to the aluminium housing, the nail cutter works quietly with minimal
vibrations and does not generate high temperatures.

9 high-quality attachments made of sapphire, felt and carbide for tailored
use as required.

The extraction function ensures clean working and prevents nail dust from
being swirled up.

The integrated filter is durable, exchangeable and quick to clean.

The integrated UV/LED nail dryer provides efficient nail drying for long-
lasting results.

The UV/LED nail dryer is suitable for all UV-cured varnishes and gels,
thereby guaranteeing optimum results regardless of which varnish or gel
brand is used.

Countdown display with settings for 30, 60 and 90 s for smart usage.

Mains operation:

Input: 100-240 V~, 50/60 Hz, 50 W

Product measurements (LxWxH): 19,5 x 19 x 12 cm

Product weight: approx. 1570 g

3 year guarantee
